We may change our privacy practices at any time as allowed by state and federal law. TREATMENT, PAYMENT, AND HEALTH CARE OPERATIONS : Federal law does not require us to obtain consent to use or disclose your PHI for treatment, payment and health care operations. We may use or disclose your PHI to another health care professional to provide treatment to you. We may use or disclose your PHI to obtain payment for services we provide to you or to determine eligibility or coverage for services. We may also use your PHI in connection with performance and operation of OSPA. This includes quality assessment, licensure and credentialing activities, training, audits, administrative services, case management and care coordination, among other similar activities.

USES PURSUANT TO AN AUTHORIZATION: As permitted by federal and state law, we may disclose your PHI with your consent. You may generally revoke your consent in writing at any time to the extent we have not already relied on that consent. It is understood that such consent may authorize the release of information to which you have not had access or to information that has not been generated at the time of the execution of the release.

FURTHER DISCLOSURES: Federal and state law do not require patient consent for the following disclosures:

A. Child abuse: We must report to the local Department of Social Services information that leads us to reasonably suspect child abuse or neglect. We must also comply with a request from the Director of the Department of Social Services to release records relating to a child abuse or neglect investigation.

B. Adult abuse: We must report to the local Department of Social Services information that leads us to reasonably suspect that a disabled adult is in need of protective services.

C. Judicial/Administrative Proceedings: We must comply with an appropriately issued court order or subpoena requiring that we release your PHI.

D. Serious Threat to Health or Safety: We may disclose your PHI to protect you or others from a serious threat of harm.

E. Worker's Compensation: Under certain circumstances, we may disclose your PHI in connection with a Worker's Compensation claim that you have filed.

F. As Required by Law: There may be instances where either federal or state law requires that we release your PHI.
